

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

UNITED STATES OF AMERICA,

Plaintiff,

v.

FRED JACOB DILLIOTT,

Defendant.

CASE NO. CR15-5185 BHS

ORDER

This matter comes before the Court on Defendant Fred Jacob Dilliot's Motion for Early Termination of Supervised Release. Dkt. 52. The United States Probation Office filed a response to this motion, recommending that the Court deny the motion because of Dilliot's status as a sex offender. Dkt. 53 at 2. The Court agrees with Probation that early termination of Dilliot's supervised release is not appropriate at this time. However, the Court will consider such a motion once Dilliot has completed 80 percent of his supervised release without a violation.

Accordingly, it is ORDERED that the Motion for Early Termination of Supervised Release, Dkt. 52, is **DENIED**.

1 Dated this 11th day of October, 2022.
